

Furness Bee Keepers

Autumn Feed

and

Varroa Treatment

2017.

We are stocking Inverted Syrup, Fondant and Varroa Treatment again this autumn for our members to buy.

Collection can be at the Apiary Gleaston Water Mill, the Apiary Haverthwaite and at 36 Oxenholme Road Kendal. Phone 01539 721501

The syrup is new to us this season and called Belgosuc Bee Feed, it has the same properties as Ambrosia but is considerably cheaper to buy.

The Jerry cans hold 14 kg rather than the 12.5 kg of Ambrosia.
